## Flow

Don't forget to

**follow us!**

I - Complete the sentences using the **name of the animal**, the verb **can**, and the **verbs** according to each picture.

1. Swim

*The cat can swim.*

2. Eat bananas

3. Fly

4. Not - Steer the boat

5. Hold objects

In this picture, we can see four animals close together in front of old buildings. There are a black cat with big yellow eyes, a happy golden dog, a serious capybara, a sympathetic lemur holding an object, and a tall white bird. We can see the weather is sunny, and the sky isn't blue. The animals are curious and ready for an adventure.
